

INTERNET EXPLORER 11 (IE 11)

1. Open Internet Explorer 11.
2. On the very right-hand side of the browser, select on the gear icon, also called the **Tools > Safety > Delete browsing history**. (Alternatively, press **Ctrl + Shift + Del** on the keyboard.)
3. In the **Delete Browsing History** window that appears, uncheck all options except the one labeled **Temporary Internet files and website files**.
4. Select **Delete** at the bottom of the window.
5. The **Delete Browsing History** window will disappear and you might notice your mouse icon change to the wait cursor for a few moments.
6. As soon as your cursor returns to normal, or you notice the "finished deleting" message at the bottom of the screen, consider your temporary internet files deleted.

GOOGLE CHROME

1. On your computer, open **Chrome**.
2. At the top right, click more (3 stacked dots)
3. Click **More tools > Clear browsing data**.
4. At the top, choose a time range. To delete everything, select **All time**.
5. Next to "Cookies and other site data" and "Cached images and files," check the boxes.
6. Click **Clear data**.

MICROSOFT EDGE

1. Open **Microsoft Edge**.
2. Select the **Settings and More** menu (the three ellipses).
3. Select **Settings**.
4. Select the **Privacy & Security** tab in the left pane of the Settings menu.
5. Select the **Choose What to Clear** button in the Clear Browsing Data section.
6. Select the checkboxes of the types of data you want to clear from the cache. ('Cookies and saved website data' and 'Cached data and files')
7. Choose **Clear**.

SAFARI

1. Open up the Safari Web browser.
2. Click on Safari in the menu bar and open Preferences
3. Select the Privacy tab
4. Click on Manage Website Data
5. Click Remove All, and then confirm it by clicking on Remove Now in the next dialogue box.
6. Close and reopen the Safari Web browser

FIREFOX

1. Open Firefox.
2. Click the setting button on the top-right corner.
3. Click on Options.
4. On the left pane, select Privacy & Security.
5. Under "History", click the clear your recent history link.
6. On "Time range to clear", select from the drop-down menu the time range to clear the browsing data. It's always recommended to select "Everything".
7. Under "Details", check only Cookies and Cache
8. Click the Clear now button to complete the task.
